Katie gives her heart and more to sick children

On Thursday, Dec. 23, 2010, Katie Greene, 9, of Katie's Kidz presented gifts for hospitalized children to Candy Wright, Director of the Cardiovascular and Wellness Centers at Cleveland Regional Medical Center. Katie and her parents of Waxhaw started Katie's Kidz in 2007. Katie, then six years old, wanted to give presents to children stuck in the hospital during Christmas. Each year, Katie and her parents, Dean and Elizabeth Greene, shop for the children and deliver the gifts to various hospitals around the state. This year the little girl raised more than \$15,000! For more information or to donate next year, visit the web site www.katieskidz.org.
